

# Owners NEWSLETTER

1st Quarter - 2016

As of November of 2015 the entire 1800 building has been renovated. For 2016 we will be renovating three floors of the 1700 building and the remaining two floors in 2017. We have also remodeled the hallways of the 1000 and 900 buildings in 2015 and are planning on remodeling the 800 in 2016. With the 1700 building remodel this will complete the remodels of all of the hallway buildings at Silver Lake Resort.

Our website for the [Owners Log In](#) section has been redesigned to communicate with our software. You will now have access to change your contact information on the website in addition to making payments for your Maintenance Fees & Taxes. You will also be able to see if anything is owed for your Maintenance Fees & Taxes as the website will detail the charges owed on your account. Your username will be your Owner ID or email and your default password will be your Owner ID+Last 3 letters of your last name. If you have more than one account, you must use your Owner ID for log in. If you are experiencing any problems, please email us at [slr@silverlake.net](mailto:slr@silverlake.net).
